

50 years of promoting quality!

After 50 years of experience, Webster Printing understands the concept of quality. Craftsmanship. Attention to details. Award-winning results.

50 years of promoting quality!

Craftsmanship

Attention to details

Award winning results

Being in business for over fifty years teaches one that nothing stays the same... As technology evolves and changes our industry, the one thing that has remained a constant has been Webster's commitment to our craft. Carefully investing in equipment and personnel, Webster has remained one of Boston's top 20 printers.

Choose a printer who treats what they do as a craft!

We've expanded:

- 2004** • Six color 40" Komori press with aqueous coating.
- 2005** • 2005 Konica digital press.
 - "Webster to Print" An on-line inventory and order management system.
 - Additional MBO folding and finishing equipment.
- 2006** • Added two additional 2006 Konica digital presses.
 - Purchased two 2/color Heidelberg Speed Master presses.
 - A seven pocket Vijuk saddle stitch finishing machine.
- 2007** • New Prinergy Evo prepress workflow.
 - (4) G5 Macintosh workstations.
 - (2) 44" Epson proofing devices with Kodak color matching.
 - 2007 Heidelberg SM 52 20" 5/color with aqueous coater.
 - KODAK (Scitex) VERSAMARK DS5240 Ink-Jet Printing System.
 - 30,000 Sq. foot storage warehouse located in West Boylston, MA.
- 2008** • Fuji Javelin Automated Platesetter with inline punches.
 - Kodak NEXPress Heidelberg 9110 b&w digital press.

We love what we do because we are good at it!
